Professional Employment

- Professor, School of Natural Resources, University of Nebraska, August 2023 – Present
- Director and Professor, School of Natural Resources, University of Nebraska, August 2013 – July 2023
- Assistant, Associate, and Professor, Warnell School of Forestry and Natural Resources, University of Georgia, March 1998 – July 2013
- Senior Research Scientist and Head of the Lowland Gamebird Research Unit, The Game Conservancy Trust (now Game and Wildlife Conservation Trust), Fordingbridge, England, August 1995 – March 1998
- Assistant and Associate Professor, Department of Biological and Environmental Sciences, California University of Pennsylvania, January 1990 - August 1995
- Lecturer, Biology Department, University of North Dakota, May 1989 - August 1989
- Lecturer, Natural Resources Department, University of Minnesota/Crookston, September 1988 - December 1988

Visiting and Adjunct Positions

- Adjunct Professor, Warnell School of Forestry and Natural Resources, University of Georgia, Athens 2013-Present
- Visiting Professor, School of Bioresources & Technology, King Mongkut's University of Technology, Thonburi, Bangkok, Thailand, October 2005, November 2006, December 2009, May 2012, May 2013
- Visiting Professor, Department of Biology, University of Cyprus, Nicosia, Republic of Cyprus, January – August 2009
- Visiting Professor, College of Education, Near East University, Nicosia, Turkish Republic of North Cyprus, January – August 2009
- Visiting Scientist, Game Fund and Department of Environment, Ministry of Interior, Nicosia, Republic of Cyprus, January – August 2009
- Adjunct Faculty, Department of Biology, Hainan Normal University, China, 2006 - Present
- Visiting Professor, Department of Wildlife Ecology and Management, University of Freiburg, Freiburg, Germany, December 2004.
- Research Associate, Tall Timbers Research Station and Land Conservancy, 1998 - Present
- Adjunct Faculty, Division of Forestry-Wildlife Resources Program, West Virginia University, 1994 - 1998

Education

Ph.D. University of North Dakota, Biology, May 1989
M.S. Eastern Kentucky University, Biology, December 1982
B.S. University of Massachusetts, Wildlife Biology, May 1979

Administration and Leadership

- More than 30 years of integrating and managing research, teaching, and outreach with an emphasis on conservation and natural resources, especially wildlife and habitats.

- Successfully managed small group of 5 scientists (plus numerous temporary researchers and students) at an NGO in the United Kingdom.
- Managing about 150+ faculty and staff for 10 years in a unit which generates \$8-13 million in research funding (FY 2020-2021 now at \$10 million) and total budget of \$25 million.
- Integrating a highly diverse School into the Institute of Agriculture and Natural Resources in a region where production agriculture dominates almost every aspect of society.

Postgraduate Awards and Honors

- Nebraska Chapter of The Wildlife Society, Career Professional Award, 2023
- Elected Fellow of The Wildlife Society, 2019
- Elected Fellow of the Daugherty Water for Food Institute, University of Nebraska, 2014
- Elected Fellow of the Center for Great Plains Studies, University of Nebraska, 2013
- University of Georgia Office of International Education Study Abroad Award, 2013
- University of Georgia Graduate School Faculty Diversity Award, 2010
- Fulbright Teaching and Research Scholar in the Republic of Cyprus and Turkish Republic of North Cyprus, 2009
- African Studies Institute, University of Georgia, Outstanding Service Award, 2007
- African Studies Institute, University of Georgia, Outstanding Service Award, 2005
- University of Georgia Outstanding Teaching Award, 2004
- Pennsylvania Environmental Council and Duquesne Light Co., Three Rivers Environmental Awards for Higher Education, 1995
- Presidential Outstanding Faculty Researcher Award, California University of Pennsylvania, 1995
- California University of Pennsylvania, Dean's Council, Faculty Scholarship Award, 1995
- Appointed Environmental Liaison for California University of Pennsylvania, 1994-95
- California University of Pennsylvania Dean's Council, Faculty Scholarship Award, 1994

Other Certifications

Leadership

- Leadership Training and Coaching with Leadership Resources, Inc., Lincoln and Omaha, NE, 2017-2018.
- University of Nebraska Department Executive Officer Training Workshops. 2018-2020.

Animal Use

- Working with IACUC Basic Course (CITI), 2013, 2017, 2021
- Working with Laboratory Poultry (AALAS Learning Library), 2013
- IACUC 101 – Introduction to Animal Research (AALAS Learning Library), 2008, 2013
- Staying Healthy While Working with Laboratory Animals (AALAS Learning Library), 2008
- Institute of Biology Module 5 (Ethics for Project Managers) Training for Personnel working under the Animal (Scientific Procedures) Act 1986 Certificate Number BIO96421 (United Kingdom), 1996
- Institute of Biology Module 3 (Biology and Husbandry, Common Diseases, Anaesthesia and Analgesia, Health Monitoring) Training for Personnel working under the Animal (Scientific Procedures Act 1986) Certificate Number BIO96345 (United Kingdom), 1996
- Institute of Biology Module 2 (Wellbeing, Pain, Suffering, Distress, Handling and Restraint, Humane Killing, Personnel Safety) Training for Personnel working under the Animal (Scientific Procedures) Act 1986 Certificate Number BIO96345 (United Kingdom), 1996
- Institute of Biology Modules 1 (Animal Welfare History, Ethics, Animal Act, Housing, Code of Practice) Training for Personnel working under the Animal (Scientific Procedures) Act 1986 Certificate Number BIO96345 (United Kingdom), 1996

Human Subjects

- Basic Course in Human Subjects Protection Training through the Collaborative Institutional Training Initiative (CITI), 2009

International Education

- Risk Management in Study Abroad, Office of International Education, University of Georgia, 2013.

University Teaching***University of Nebraska - 2013 - Present***

- NRES 898 – Science Communication, Ethics, and Philosophy (3 credits), Fall 2023-Present
- NRES 235 – Wildlife Field Techniques (1 credit online), Fall 2023-Present
- NRES 450/850 – Biology of Wildlife Populations (3 credits), Spring 2022, Spring 2024-Present undergraduate/graduate.
- NRES 492/892 – Field Guiding in Southern Africa (3 credits), Fall 2021, undergraduate/graduate.
- NRES 233 – Wildlife Field Techniques (1 credit), Fall 2017-Present, undergraduate.
- TEAC 924 – Secondary Science: Science Inquiry and Problem-Based Learning (3 credits) Summer course 2016, high school teachers.
- UHON 298H – Wilderness in the 21st Century (3 credits), Spring 2024-Present

University of Nebraska Education Abroad

- NRES 492 - International Wildlife Conservation - Southern Africa Study Abroad (6 credits), taught every (except for covid years) Summer session 2014-Present, undergraduate/graduate.

University of Nebraska Guest Teaching

- NRES 891 – Seminar in Natural Resources (2 credits), guest lectures on public trust doctrine in wildlife conservation. Each year (2019-Present).
- NRES 330 – Environmental Health (3 credits), guest lectures on public trust doctrine implications in public health. Each year (2018-Present).
- GEOG 380 – Geography of Africa (3 credits), guest lectures on wildlife conservation in modern Africa. Every semester (2014-2020).

University of Georgia – 1998 - 2013

- WILD 5700-7700 (FORS 5770-7770) - Applied Population Dynamics (3 credits), Taught spring semester 1998-2013, senior/graduate.
- WILD 8300 – Introduction to R (1 credit seminar), taught fall 2010, graduate.
- WILD 8200 (FORS 8290) - Wildlife Telemetry (3 credits), 6 semesters, taught as needed, graduate.
- FORS 8300 - Fish and Wildlife Seminar (1 credit), 2 semesters, graduate.
- WILD 5330-7330 (FORS 5330-7330) - Wildlife Management in Agricultural Ecosystems (3 credits), 5 semesters, senior/graduate.
- FANR (FORS 3000) - Field Measurements (4 credits—part of lab), 5 semesters, taught every spring until 2005, then I was asked to step in and reorganize the lecture part of the course starting in 2010, junior.

- FORS 4730 - Senior Project (4 credits), 2 semesters, senior.
- FANR 2200 (FORS 2100) - International Issues in Conservation (3 credits), 7 semesters, taught each fall semester, non-major.

University of Georgia Study Abroad

- WILD 5200-7200 (FORS 5250-7250) - International Wildlife Conservation - Southern Africa Study Abroad (6 credits), taught every Summer session 2001-2013, undergraduate/graduate.
- FORS 5250 - Wildlife Conservation in the Republic of Georgia (Grant Funded Study Abroad—from National Academies of Science and Engineering) (4 credits), 1 semester, taught spring 2005, undergraduate.

University of Georgia Distance Learning

- FANR 2100 – Natural History of Southern Africa (3 credits), Online course developed through the Independent and Distance Learning program at UGA. Fall 2010-Summer 2013.

University of Georgia – Guest Teaching

- FANR 1100 (FORS 1100) – Natural Resource Conservation (3 credits), guest lectures on international conservation issues. 4 Semesters, undergraduate (2005-2013).
- FANR 3000 – Field Measurements (4 credits), guest lectures on sampling, detection, and indices in fisheries and wildlife, undergraduate (2008-2009, 2011-2013).
- AFST 2100 – Introduction to Africa (3 credits), guest lectures on wildlife conservation in Africa, taught every semester, undergraduate (2001-2013).
- ECOL 4500-6500 – Population Ecology (3 credits), guest lectures on application of population biology theory for ecology students, taught every fall semester, upper division (2010-2012).
- WILD 4000-6000 (FORS 4300-6300) – Wildlife Habitat Management (4 credits), guest lectures and lab on farmland wildlife management, taught every fall semester, senior/graduate (1998-2012).

Near East University – 2009

- Applied Population Ecology, graduate students. About 35 hours of lectures and 25 hours of lab.

King Mongkut's University of Technology – 2004, 2006, 2009, 2012, 2013

- Applied Population Ecology, graduate students. Invited to fill need in department for a course in population biology until the position can be filled. About 35 hours of lectures and 25 hours of lab.

University of Freiburg – 2004

- Wildlife Management, 2 sections, 2nd and 3rd year students. Co-taught course with Dr. Ilse Storch, presented 16 1-hour lectures.

California University of Pennsylvania - 1990-1995

- Wildlife Management Techniques, 6 semesters, junior/senior/graduate.
- Principles of Wildlife Management, 5 semesters, junior/senior/graduate.
- Experimental Design and Analysis, 5 semesters, senior/graduate.
- Ornithology, 3 semesters, junior/senior/graduate.
- Field Biology, 1 semester, sophomore.

- Introductory Zoology, 2 semesters, freshman.
- Man and His Environment, 8 semesters, non-major.
- Biotic Communities, 1 semester, sophomore/junior.

University of North Dakota

- General Ecology, 1 semester, sophomore/junior, 1989

University of Minnesota/Crookston

- General Ecology, 1 semester, sophomore, 1988

Short Courses Taught

- Field Techniques Training Workshop – January 2011 in the Gola Forest, Sierra Leone. Three-day training program for Gola Forest Rangers, field technicians for the Trans-Boundary Program, and Tiwai Island technicians, with April Conway and Annika Hillers.
- Scientists Workshop - Young Asian Biologist Training Workshop, November 2010 in Bangkok, Thailand. One-week training program for a group of young Asian biologists in field methods for studying Galliformes, with Drs. Phil McGowan, George Gale, Tomasso Savini, and Huw Lloyd.
- Scientists Workshop - Young Asian Biologist Training Workshop, October 2007 in Chengdu, Sichuan, China. One-week training program for 16 young Asian biologists in field methods for studying Galliformes, with Drs. Phil McGowan, Brant Faircloth, Theron Terhune, and Jeff Thompson.
- Co-Chair, Scientists Workshop - Young Asian Biologist Training Workshop, Indian Veterinary Research Institute, April 2004. One-week training program for 16 young Asian biologists in field methods for studying Galliformes, with Drs. Rajiv Kalsi, Mike Conroy, and Mr. Brant Faircloth.
- Wildlife Management and Forestry Short course. Georgia Center for Continuing Education. Co-taught 2-day workshop with Dr. Karl Miller, once per year for wildlife and forestry professionals. (yearly, 2001-2013)
- Scientists Workshop - Young Asian Biologist Training Workshop, National Conservation and Research Training Centre run by the King Mahendra Trust for Nature Conservation, Nepal, October 2000. One-week training program for 18 young Asian biologists in field methods for studying Galliformes, with Drs. Peter Garson and Phil McGowan
- Scientists Workshop - Young Asian Biologist Training Workshop, Kuala Lompat, Malaysia, October 1997. One-week training program for 13 young Asian biologists in field methods for studying Galliformes, with Dr. Phil McGowan

Supervision of Graduate Students

Graduate Advisor—M.S.

*Co-advisor **Field advisor

1. Berger, Danielle*. 2020, UNL. Population biology of prairie grouse in Nebraska.
2. Castillo, Jazmin*. 2020, UNL. Spatial ecology and human impacts on Spotted Hyenas (*Crocuta crocuta*) in the Northern Tuli Game Reserve, Botswana.
3. McCollum, Katherine*, 2015, UNL. Spatial ecology of the kori bustard on the Mashatu Reserve, Botswana.
4. Sofferin, Seth, handed over to colleagues, UGA, Effect of fire scale on northern bobwhite ecology in Florida prairie. 2014.
5. Satterfield, Lauren, 2014, UGA, Use of baited camera traps to sample carnivore communities in eastern Botswana.
6. Welch, Chelsea, handed over to colleagues, UGA, Non-thesis—Peace Corp Masters Program. 2013.

7. Grimes, Paul, 2012, UGA, Ecology of bobwhite quail relative to management on Ft. Gordon, Georgia.
8. Flowers, Ami*, 2012, UGA, Using art in environmental education: The effect of an art-based EE program on children's environmental attitudes and awareness.
9. Horan, Robert, 2011, UGA, Telemetry study on an arboreal frog species, *Agalychnis spurrelli*, on Barro Colorado Island, Panama.
10. Cass, Randy, 2008, UGA, Effects of rearing on northern bobwhite chick behavior.
11. Hadiprakarsa, Yoki*, 2008, UGA, Landscape ecology, fragmentation, and population viability of hornbills in Sumatra.
12. Burnham, Joe, 2008, UGA, Bobwhite hen behavior relative to nest predation.
13. Belt, Erin, 2008, UGA, Non-thesis
14. Gates, Brian*, 2008, UGA, Effects of longleaf pine restoration on early successional songbirds.
15. Butler, Adam, 2007, UGA, Effects of range management on songbird communities in southern Florida.
16. Sash, Kim, 2007, UGA, Trophic ecology of a snake community in managed pine landscapes.
17. Shamblin, Brian*, 2007, UGA, Population genetics of loggerhead sea turtles.
18. Valentine, Teresa, 2007, UGA, Regional gene flow in fragmented bobwhite quail populations.
19. Juhan, Michael, 2006, UGA, Wild turkey ecology in landscapes managed for bobwhite quail.
20. Rodriguez, Jessica, 2006, UGA, Parasites of the northern bobwhite relative to management in Georgia.
21. Hannon, Christina, 2006, UGA, Effect of understory burn size and the population demographics of cotton rats.
22. Whitelaw, Ryan (MFR)*, 2006, UGA, Non-thesis.
23. Doxon, Elizabeth, 2005, UGA, Brood ecology of bobwhite quail and ring-necked pheasant relative to CRP management in Kansas.
24. Stapleton, Seth, 2005, UGA, Snake community ecology relative to bobwhite quail management.
25. Cook, Patrick, 2004, UGA, Effects of field margin management of bobwhite quail demographics.
26. Sitompul, Arnold, 2004, UGA, Human-elephant interactions on Sumatra.
27. Burkhart, Jason, 2004, UGA, Impacts of Bermuda grass invasion on crop field margin management.
28. Bliss, Thomas, 2004, UGA, Spatial effects of set aside management on ring-necked pheasant broods in Austria.
29. Thornton, Ryan, 2003, UGA, Demographic effects of mammalian predator removal on bobwhite quail.
30. Anderson, Brandon, 2002, UGA, Survival of hen pheasants on managed farmland in Lower Austria.
31. Winarmi, Nurul, 2002, UGA, Ecology and population of the great argus pheasant in Sumatra.
32. Cederbaum, Sandra*, 2002, UGA, Effects of alternative cotton cropping systems on songbirds.
33. Hamrick, Richard, 2002, UGA, Response of bobwhite quail to a landscape level habitat management program.
34. Maidens, Denise, 2001, UGA, Value of food plots for bobwhite quail brood habitat.
35. Staller, Eric, 2001, UGA, Nest predation of bobwhite quail using continuous video monitoring.
36. Brinton, Jacquelyn**, 1996, University of Reading-UK, Effects of roe deer on understory vegetation in small woodlands in England.
37. Calabrese, Amy, 1995, CUP, Effects of weather on waterfowl use of small streams during winter.
38. Smith-Roberts, Joann, 1992, CUP, Effects of diflubenzuron on wild turkey eggs.

Graduate Advisor, Ph.D. Students

1. Wyatt, Rebecca*, *in progress* Calf behavior in captive African elephants
2. Campbell, Katie*, *in progress* Reproduction in captive male African elephants
3. Lipinski, Amanda*, 2019. Land use, immune function, and stress under unpredictable winter weather conditions.
4. Snyman, Andrei*, 2016, UNL, Spatial ecology of male lions on the Mashatu Reserve, Botswana.

5. Tanasarnpaiboon, Supatcharee*, 2016, UNL, Conservation of gaur in southern Thailand.
6. Candelario, Luis, handed over to colleagues, UGA, Spatial ecology of leopards in the Mashatu Reserve, Botswana. 2015
7. Conway, April*, 2013, UGA, Conservation of the pygmy hippopotamus in Sierra Leone.
8. Lee, Myung-Bok, 2013, UGA, Hierarchical modeling of songbirds in fragmented forests in the Sand Hills of Georgia.
9. Hickey, Jenna*, 2012, UGA, Population modeling and abundance estimation of bonobos (*Pan paniscus*) in relation to timber harvest, slash-and-burn agriculture, and bushmeat hunting: Harmonizing bonobo conservation with sustainable development.
10. Xu Yu*, 2011, Joint Ph.D. University of Sichuan and UGA, Conservation of endangered Chinese Galliformes.
11. Ellis, Susan*, 2010, UGA, Experimental analysis of predation ecology of the northern bobwhite in the Southeast.
12. Martin, James, 2010, Bobwhite quail management relative to range management in Florida.
13. Terhune, Theron, 2008, UGA, Demographic and genetic effects of wild transplanted quail on an isolated population.
14. Faircloth, Brant, 2008, UGA, Parental investment and relatedness in bobwhite quail.
15. Eo, Soo Hyung, 2008, UGA, Integrating phylogenetic relationships and population structure for conservation planning in Galliformes.
16. Thompson, Jeff, 2007, UGA, Agriculture and Gamebirds: A global synthesis with an Emphasis on the Tinamiformes in Argentina.
17. Woodburn, Maureen**, 2000, University of Southampton (U.K.), Field Advisor; Parasite impacts on breeding success of hand-reared pheasants in the wild.
18. Papeschi, Anna**, 1998, University of Florence (Italy), Field Advisor; Sexual selection in the ring-necked pheasant.

Undergraduate Senior Thesis Advisor

University of Nebraska

1. Wilton, Ann. 2018. Using new unmanned aerial vehicle technology to enhance conservation biology research (biology) (UCARE)
2. Brigg, Charles. 2018. Using new unmanned aerial vehicle technology to enhance conservation biology research (engineering) (UCARE)
3. Hollman, Bethany. 2017. Use of image recognition software to identify individual small spotted and large spotted genets. (Cabela's Mentorship)
4. Hruza, Emily. 2017. Water Use Patterns of the Chacma Baboon (*Papio ursinus*) During the Dry Season in the Mashatu Game Reserve of Eastern Botswana. (UCARE, Cabela's Mentorship)
5. Castillo, Jazmin. 2017. Estimation of distribution and abundance of the spotted hyena (*Crocuta crocuta*) in the Northern Tuli Game Reserve, Botswana. (UCARE, Cabela's Mentorship, McNair Fellow)
6. McDaniel, Jessica. 2017. Use of Aphis software to assess individual identification of African civets using spot patterns.

University of Georgia

Membership on M.S. and Ph.D. Graduate Committees

- Served on 40+ graduate committees at UGA
- External examiner for Ph.D. students at the University of Oulu, Finland,
- External examiner for M.S. students at the University of Capetown and Technicon Pretoria, South Africa, and National Agriculture University, Pakistan.
- External examiner for M.S. and Ph.D. students at King Mongkut's Technology University-Thailand
- External advisor for M.S. student at the University of the West Indies
- Served on 10 graduate committees at CUP

Grants Received

University of Nebraska (2013-Present)

1. Chizinski, L., **J.P. Carroll**, and I. Villanueva. The Lincoln flying squirrel squad: Community engagement in conservation. Watchable Wildlife Grants, Nebraska Game and Parks Commission, \$5963., December 2023.
2. Pekarek, K. and **J. Carroll**. UNL Water Quality Liaison. Ne Dept of Environment & Energy, \$291,112.00, Awarded. September 2022.
3. **Carroll, J.** and K. Pekarek, Source Water Protection Educator, Ne Dept of Environment & Energy, \$141,545.00, July 2021.
4. Pekarek, K. **J.P. Carroll**, and R. Rasby. UNL/NDEQ Liaison for Coordination of water quality education programming in Nebraska. Nebraska Department of Environmental Quality. September 2017. \$159,163.
5. Josiah, S., **J.P. Carroll** and R. Gaussoin. Bachelor of Science in Urban & Community Forestry at the University of Nebraska-Lincoln. USDA Forest Service. July 2015. \$313,000. (\$100,000 supplement 2016)
6. **Carroll, J.P.** Wildlife Management and Human Dimensions. Nebraska Game and Parks Commission. March 2015. \$255,000.
7. **Carroll, J.P.** Outdoor U Program. Nebraska Game and Parks Commission. July 2013. \$262,381.

University of Georgia (1998-2013)

1. **Carroll, J.P.** (with J. Martin) Assessing longleaf-wiregrass ecosystem restoration progress using indicator species. Department of Defense, Fort Gordon, Georgia. September 2009 and 2010, \$197,000.
2. Hernandez, S. and **J.P. Carroll**. Pygmy hippopotamus (*Choeropsis liberiensis*) conservation in Sierra Leone. Columbus Zoo Conservation Fund. September 2010. \$5,000.
3. **Carroll, J.P.** and S. Hernandez. Pygmy hippopotamus (*Choeropsis liberiensis*) conservation in Sierra Leone. Mohamed bin Zayed Species Conservation Fund. July 2010. \$15,000.
4. **Carroll, J.P.** and S. Hernandez. Pygmy hippopotamus (*Choeropsis liberiensis*) conservation in Sierra Leone. U.S. Seal Fund, Minnesota Zoo. March 2010. \$2,500.
5. Hernandez, S., and **J.P. Carroll**. Pygmy hippopotamus (*Choeropsis liberiensis*) conservation in Sierra Leone. Oregon Zoo Foundation. December 2009. \$5,000.
6. **Carroll, J.P.** and S. Hernandez-Divers. Pygmy hippopotamus conservation in Sierra Leone. Riverbanks Zoo, SC. November 2009, \$5,000
7. **Carroll, J.P.** and S. Hernandez-Divers. Pygmy hippopotamus conservation in Sierra Leone. Tulsa Zoo. November 2008, \$5,000
8. **Carroll, J.P.** and N. Nibbelink. Population modeling and abundance estimation of bonobos (*Pan paniscus*) in relation to timber harvest, slash-and-burn agriculture, and bushmeat hunting: Harmonizing bonobo conservation with sustainable development. Great Apes Fund, Division of International Conservation, USWFS. July 2008, \$44,299.
9. **Carroll, J.P.** and S. Hernandez-Divers. Pygmy hippopotamus conservation in Sierra Leone. Conservation International. June 2008, \$20,000.
10. Warren, R.J. and **J.P. Carroll**. A 6-year study of diet, age, and reproductive responses of meso-mammals to intensive predator removal. Berryman Institute (Eastern Unit), Mississippi State University. June 2006, \$15,000.
11. Naim, J.C., S.A. Castleberry, and **J.P. Carroll**. Microsatellite markers for analysis of loggerhead sea turtle population structure. Georgia Department of Natural Resources, Nongame Division. May 2005. \$5,000.
12. Fisk, A.T., and **J.P. Carroll**. Ecology of the snake community of the Red Hills Region relative to management for northern bobwhites: assessing the diet choices of snakes using stable isotopes. Florida Fish and Wildlife Conservation Commission. December 2004. \$9,660.
13. **Carroll, J.P.** Land use, reserves, and the conservation biology of early successional wildlife using the Georgian pheasant as a “flagship” in the Republic of Georgia. The National Academies, Office for Central Europe and Eurasia. August 2004. \$24,535.

14. **Carroll, J.P.** Tall Timbers Research Assistantship Grants. Tall Timbers Research Station and Land Conservancy, Inc. August 2004-2013. \$264,400.
15. **Carroll, J.P.** and R.J. Warren. Wildlife management and gamebird restoration. Sub-contract from direct congressional appropriation to USDA-Wildlife Services, July 2001-2006 awarded, \$484,165. (total award for which I coordinated all the partners was \$6.5 million).
16. **Carroll, J.P.** Genetic investment of individual northern bobwhites. Tall Timbers Research Station. August 2000-December 2007. \$206,419.
17. **Carroll, J.P.** Population dynamics of intestinal parasites in reared and wild northern bobwhite quail *Colinus virginianus*. Georgia Department of Natural Resources. September 2004. \$11,299.
18. **Carroll, J.P.** Assessment of habitat to northern bobwhite and ring-necked pheasant chicks. Kansas Department of Wildlife and Parks. June 2004. \$65,165.
19. **Carroll, J.P.** Habitat use, survival, and breeding success of wild pheasants on farmland in northern Lower Austria. Count Maximillian Hardegg, December 2000, December 2002, July 2003. \$46,380.
20. **Carroll, J.P.** (50%) and R.J. Cooper (50%). Adaptive decision support of landscape-level conservation of birds in early successional habitats on private lands in Georgia. USGS-Eastern Regional Office, February 2003. \$37,398.
21. **Carroll, J.P.** Georgia's Bobwhite Quail Initiative: Research. Georgia Department of Natural Resources. July 1999, July 2001, July 2003. \$357,397.
22. **Carroll, J.P.** Travel to International Ornithological Congress, Beijing, China. University of Georgia Research Foundation. June 2002. \$1,200.
23. **Carroll, J.P.** Cooperative education and research program with Wildlife Conservation Society - Indonesia. February 2000. \$50,000. (Office of UGA President Adams \$12,500, WSFR \$12,500, WCS-Indonesia \$25,000.), March 2002. \$7,500. (Office of UGA President Michael Adams)
24. **Carroll, J.P.** (50%) and R.J. Cooper (50%). Forest management and birds in the Southeast. USDA Natural Resources Conservation Service. March 2001. \$45,000.
25. **Carroll, J.P.** Georgia's Bobwhite Quail Initiative: Monitoring and Research - Bermudagrass Control. Georgia Department of Natural Resources. December 2000. \$50,000.
26. **Carroll, J.P.** Agriculture and wildlife research and education program. Central Georgia Soil and Water Conservation District. February 2000. \$39,000.
27. **Carroll, J.P.** Gamebird research in the Southeast. Tall Timbers Research, Inc., July 1999, February and April 2000. \$18,000.
28. **Carroll, J.P.** Wildlife conservation education partnership: University of Georgia-Makerere University cooperative field course. University of Georgia International Office, October 1999, \$3,300

The Game Conservancy Trust (now Game and Wildlife Conservation Trust) (1995-1998)

1. **Carroll, J.P.** Administered budget including grants of about \$170,000 per year. Most funds raised were not grants *per se*, but individual donations to support the Lowland Gamebird Research Unit which was headed by Dr. Carroll. These included \$70,000 from P. van Vlissingen to study rearing and parasite impacts on wild pheasants in Britain and a 5-year project at \$30,000 per year to support wild pheasant research and restoration on Tendring Hall Estate.
2. **Carroll, J.P.** Effects of diet fibre on growth, development, and gut morphology of reared pheasants. Devon Wildlife Group. May 1997. \$3,000.
3. **Carroll, J.P.** Research and conservation of the critically endangered bearded tree-partridge in Mexico. P. van Vlissingen Foundation (The Netherlands), Prince Bernhard Nature Trust (The Netherlands), Chicago Zoological Society (through the IUCN-Species Survival Commission). March-July, 1996. \$10,000. Cooperative program with the Center for the Study of Tropical Birds, Inc. (Texas), Southwest Texas State University, and Pronatura Veracruz (Mexico).
4. **Carroll, J.P.** Effects of roe deer browsing on understory vegetation in small farmland woodlands. British Ecological Society and H. Oliver-Bellasis. March, 1996. \$3,000.

California University of Pennsylvania (1990-1995)

1. **Carroll, J.P.** Integrating wildlife and agriculture. Submitted pre-proposal to R.K. Mellon Foundation for 5 year \$1.3 million habitat development program. Completed first draft of final proposal with Foundation for California University in late 1995. Proposal funded for \$750,000 in March, 1996.
2. **Carroll, J.P.** Wildlife habitat and wetland development in Pennsylvania, 1995-1999. Cooperative agreement with the U.S. Fish and Wildlife Service. January, 1995. \$10,000, funding on an as needed basis with \$24,000 the maximum for the first year. Agreement transferred to colleague at CUP.
3. **Carroll, J.P.** Integrating wildlife and agriculture: pheasant management on private land in Pennsylvania. Habitat development and research grant from the Center for Rural Pennsylvania. January, 1995. \$254,286, includes financial and in-kind commitments from Pheasants Forever, Pennsylvania Game Commission, U.S. Fish and Wildlife Service, and California University of Pennsylvania. Grant transferred to colleague at CUP.
4. **Carroll, J.P.** Monongahela River education and research vessel. Worked with the Foundation for California University of Pennsylvania to secure a grant from Snee-Reinhardt Charitable Foundation. Equipment grant for boat funded Sept. 1994. \$25,000.
5. **Carroll, J.P.** PENNHEP: Wildlife Habitat Assessment and Management System application at WestPenn Buffalo Creek Management Area. Habitat evaluation grant from The Ruffed Grouse Society for 1994. \$1,050. (with Brian Allen and David Ratz)
6. **Carroll, J.P.** Habitat assessment and populations of the American woodcock at Quebec Run Wild Area, Pennsylvania. Research grant from The Ruffed Grouse Society for 1994-1995. \$4,178. (with Gary Popotnick)
7. **Carroll, J.P.** Research development plan for Neotropical quails in South America. Seed money grant from the IUCN SSC/BirdLife International/WPA Partridge, Quail, and Francolin Specialist Group, WPA-United Kingdom Chapter, and WPA-USA Chapter. December, 1993. \$3,500.
8. **Carroll, J.P.** A model of gray partridge population dynamics in North Dakota. Research grant from Irene O'Brien Research Fund, California University of Pennsylvania. June, 1991. \$250.
9. **Carroll, J.P.** Effects of diflubenzuron on wild turkey eggs and young. Equipment grant from the Graduate School of California University of Pennsylvania. March, 1990. \$940.

University of North Dakota (1983-1989)

1. **Carroll, J.P.** Modeling gray partridge populations. Research grant from the National Science Foundation, Enhancing Science Excellence and Advancing Science Excellence in North Dakota Programs. May, 1988. \$1,000.
2. **Carroll, J.P.** Ecology of gray partridge in North Dakota. Research grant from the North Dakota Game and Fish Dept. through Pittman-Robertson Project W-67-R. July, 1984. \$39,000 (R.D. Crawford, PI), estimated \$25,000 additional awarded in equipment and travel.

Eastern Kentucky University (1979-1982)

1. **Carroll, J.P.** Dispersal, home range, and habitat use of translocated eastern wild turkeys in Jackson Co., Kentucky. Research grant from the Kentucky Chapter of the National Wild Turkey Federation. October, 1981. \$300.

Development Activities

1. Donations solicited to the Gamebird Research Program at UGA. November 1998-2013. \$198,000.
2. Negotiated with the Northeast Georgia Chapter of Quail Unlimited to establish a scholarship endowment for Warnell students awarded for first time in 2009. \$50,000.

3. Regularly asked by Warnell administration to meet with potential donors usually regarding potential gift and estate donations of land.

Editorships

- Editorial Board, The Open Zoology Journal. 2008-2013
- Co-editor, Proceedings of Gamebird 2006 – A Joint Conference of Quail VI and Perdix XII.
- Associate Editor, Journal of Wildlife Management. 2004-2006.
- Co-editor, Proceedings of 1st (2001) and 2nd (2005) International Galliformes Symposia.
- Co-editor, IUCN-SSC Action Plans (1995-1999 edition, and 2000-2004 edition) for the Partridges, Quails, and Francolins.
- Co-editor, Captive Breeding Specialist Group Conservation Action and Management Plan for the Galliformes. 1994.

Professional Service

Active

- Co-editor (with Larkin Powell) of the 9th Edition of the Wildlife Techniques Manual, Johns Hopkins Press (2020-2025)
- Working Group for Henry Doorly Zoo Research Strategic Plan, 2022.
- Scientific Advisory Board for the International Galliformes Symposium, Java, Indonesia (2023)
- Team Member of the USFWS Recovery Team for the Masked Bobwhite (2019-Present)
- Central Region Representative to the Executive Board of the National Association of University Fish and Wildlife Programs, 2018-2023.
- Co-Chair, IUCN-SSC Galliformes Specialist Group, 2016-Present.
- Reviewer for Grants Program, Nebraska Environmental Trust, 2014-Present.
- Research Associate, Tall Timbers Research Station, Inc., 2000-Present
- Research Advisor, Center for the Study of Tropical Birds, Inc., San Antonio, TX, 1995-Present

Prior

- Scientific Board for Perdix XIV, 2016-2017.
- Steering Committee for 77th Midwest Fish and Wildlife Conference, 2016-2017.
- Peer Review Committee for Fulbright Commission Aegean/Black Sea Region, 2011-2013.
- Scientific Committee for the 30th Congress of the International Union of Game Biologists, Barcelona, Spain, September 2011.
- Board of the IUCN-SSC/WPA Galliformes Specialist Group (representing North America and field training programs) 2009-2017.
- Jim McDonough Award Committee of The Wildlife Society. 2008-2010.
- Chairman, Gamebird 2006: A Joint Conference – Quail VI and Perdix XII held May 2006.
- Scientific Committee for the XXVIIth Congress of the International Union of Game Biologists, Nicosia, Cyprus August 2005
- Georgia Bobwhite Quail Technical Committee, Northern Bobwhite Conservation Initiative, 2004-2013
- Rusch Award Committee of The Wildlife Society. 2003-2008
- Organizing Committee, Nepal 2000: International Galliformes Symposium, Kathmandu, Nepal, World Pheasant Association, 1998-2000
- Organizing Committee, Nashville 2000: The Wildlife Society Annual Conference, Nashville, TN, The Wildlife Society, 1998-1999
- Research Committee, Southeast Quail Study Group, 1998-2013
- Secretary, World Pheasant Association-USA, 1998-2004

- Advisory Trustee, Game Conservancy-USA, 1998-Present
- Designing and Carrying Out Field Projects Workshop, Beijing Normal University, Beijing, 15 August 2002.
- Conference co-organizer, Conservation of Cracids and quails of Mexico and northern Central America, Neotropical Ornithological Congress, Monterrey, Mexico, IUCN-SSC Cracid Specialist Group and IUCN-SSC Partridge, Quail, and Francolin Specialist Group, 1999
- Organizing committee, 22nd Annual Southeastern Conservation Tillage Conference for Sustainable Agriculture, 1999
- Chair, IUCN-Species Survival Commission/BirdLife International/World Pheasant Association Partridge, Quail, and Francolin Specialist Group, 1996-2009
- Member, Conservation, Policy, and Programs Committee, World Pheasant Association, 1996-Present
- Organizing Committee, International Galliformes Symposium, Kuala Lumpur, Malaysia, 1996-1997
- Representative to two Heinz Foundation Environmental Colloquia and Steering Committee Meetings, 1994
- Invited participant in the WPA/ICBP/CBSG Galliform Conservation Assessment and Management Plan (CAMP) Workshop, Antwerp, Belgium, 1993
- Research and Technical Advisor to the Tri-County Chapter of Pheasants Forever on the Southwestern Pennsylvania Wild Pheasant Management Program, 1992-1995
- Regional Representative for South America on the IUCN-SSC/BirdLife International/WPA Partridge, Quail, and Francolin Specialist Group, 1991-1998
- Chairman of the Scholarship Committee for the North Dakota Chapter of The Wildlife Society, 1984-1989
- Referee for proposals to the Africa/Asia Fund of the Lincoln Park Zoo, Chicago, IL, 2000
- Referee for proposals submitted to the IUCN-SSC/BirdLife/WPA Partridge, Quail and Francolin Specialist Group, 1991-2009
- Referee for proposals submitted to the IUCN-SSC/BirdLife/WPA Pheasant Specialist Group, 1993-2009
- Invited reviewer, California University of Pennsylvania Grant Proposals for Pennsylvania State System of Higher Education Research Grants, 1991

University of Nebraska Service

University of Nebraska

- University of Nebraska Working Group on development of a Bachelor of Public Health degree program, 2022-Present.
- Comprehensive Research Data Strategy Task Force, University of Nebraska System, 2022-Present
- University of Nebraska International Travel Risk Management Committee, 2020-Present
- E.N. Thompson Global Forum Board Member, 2018-Present
- University of Nebraska Representative to the National Council for Science and the Environment (NCSE), 2015-2018
- University of Nebraska Library Dean Search Committee, 2018-2019

Institute of Agriculture and Natural Resources

- Chair of IANR Communications Director Search Committee, 2019
- Chair of the Agronomy and Horticulture Department Head Search Committee, 2018
- IANR Communications, Marketing, Branding and Storytelling Working Group, 2018
- IANR Unit Head Monthly Meeting Chair, 2017-2018
- Eastern Nebraska Research and Extension Center, Committee, 2016-Present
- Co-Chair Healthy Agriculture and Natural Resources Working Group, 2015-Present
- Eureka 2014 (Extension) Planning Committee
- Arthur William Sampson Fellowship for Range Management, Award Committee, 2014-Present
- Administrative Oversight Committee for Forensic Science Program, 2013-Present

University of Georgia Service

University of Georgia

- Office for International Education Risk Management Board, 2009-2013
- University of Georgia Honors Program Student Fulbright Reviewer, 2009-2013
- African Studies Institute, Board, 2008-2009
- African Teaching, Research, and Outreach Center, Core Committee, 2003-2009
- African Studies Institute, Core Faculty, 2001-2013
- Academic Honesty Board, 2001-2013
- Center for Latin American and Caribbean Studies, Member, 1998-2013

Warnell School of Forestry and Natural Resources

- Administrative Committee, 2004-2005
- Undergraduate Affairs Committee, 2001-2013
- Honors and Awards Committee, 1998-2013
- E.L. Cheatum Award Committee, 1998-2013
